

## For Baitfiness Tecnique!

This is a new weapon with added know-how on a higher level gleaned from Inch Wacky. The hook size for Inch Wacky is rather small. King Cobra has just the right hook size for larger worms. We added i guard to very popular “Inch-wacky. It is easy to use in Baitfiness Tecnique.Comes with the original hook from the dependable maker, Owner.

The large size, inch-wackey which can attack the cover or bush!
