

The New Material for the Head, the Same Size with Half the Weight

With the head made of low-density Space Metal, this Chopper allows you slow retrieve better than regular P. D. Chopper. You can stay on land, while tightly trying dead slow over weeds.

Adopting the space metal which enabled super slow retrieving.

Comes with the original hook from the dependable maker, Owner.

Using a silicon material superior in the durability.

The semi-flat head always introduce retrieving feelings into the angler.

Weight	Hook Size	/a pack	Price (Tax-excluded)
1/4 oz (7.0g)	#4/0	1	680 yen
5/16oz (8.5g)	#4/0	1	680 yen
