

High Precision Technology Enables Split Shot

This is the only split shot sinker made of Space Metal. To increase the hold on the line and to reduce stress on it, we added the rounded nylon part. Secure holding of the line and reducing damage to it are both achieved. Our precision technology allows the line to go through the center of the sinker, letting you use it many times over.

Weight	/a pack	Price (Tax-excluded)
#3/0 (1.0g)	8	500 yen
#7 (1.6g)	7	500 yen
#5 (2.2g)	6	500 yen
#4 (3.5g)	5	500 yen
#3 (4.0g)	4	500 yen
#2 (5.2g)	4	500 yen
