

Just toss and reel. A magic rig with results whenever and wherever!

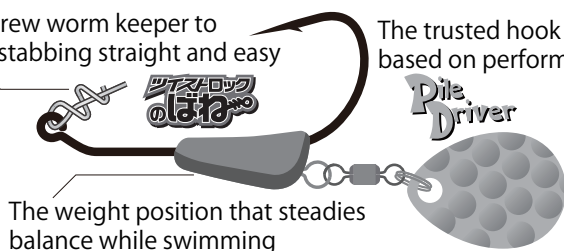

Attach 3" worm and reel in. That's all it takes to get bass in any season. With Bredy, any lure becomes mighty in no time.

Use it in reeling without fear of tangling around covers or as a pilot lure to quickly search the bass in any size. This marvelous, simple rig will bring tons of bass to the beginner and seasoned angler alike.

The screw worm keeper to make stabbing straight and easy

The trusted hook based on performance

The weight position that steadies balance while swimming

It's best to choose a hook size according to the worm shape. Use #2 as a standard. #3 is a good match for slender soft bait.
