

Special Formula

The essence from tiny fish and shrimp, that fish eaters love, is condensed into this special formula. Into the tempting smell and taste, we added sparkle to increase visual appeal. It comes in convenient plastic tube, so you can directly apply it on worms and plugs without messing up your hands. It is gel type, hard to wash away. Its effective time is improved. Use it with various jigs and expect the best result!

Special Formula CHOVERIG

スペシャルフォーミュラ
「チョベリグ」
- GEL TYPE -

It clings to a worm and a plug, and an effect lasts a long time!

you can paint directly without polluting a hand! An epoch-making tube type!
