

## Equipped with Automatic Leader Fastener. Easy-to-use Basic Round Shape

This is the first model made with Space Metal.

The basic round shape accelerates sinking. It has exceptional sensitivity, letting you quickly feel what is at the bottom. The casting technology associated with Space Metal allows even small models to have the leader fastener for your convenience.

Weight	/a pack	Price (Tax-excluded)
1/32oz (0.9g)	10	700 yen
3/64oz (1.3g)	9	700 yen
