

HITCH HOOK

The Perfect Hook to Remedy Short Bites

Each year, soft swim baits, Shad Tail worms and trailers for swimming jigs are getting larger. These are associated with frequent short bites and kiss bites on the tail. Catch these bites with this assist hook. It is Zappu's work of art in 2016.

※Length between two split rings

※Set the worm holder on the line-eye side for SS.

Please attach A of the size suitable for your lure size.
